## MindLaunch Helps Students Excel on SAT and ACT Exams with Online Tutoring Programs

The annual college entrance testing season is upon us once again – is your student ready or could he/she benefit from tutoring sessions to help him/her achieve higher scores?

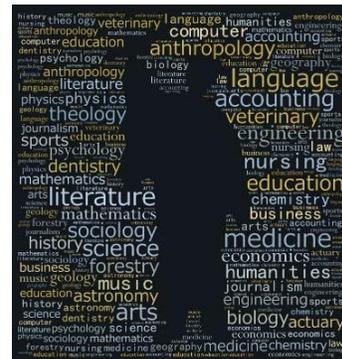

MindLaunch designs high-quality college entrance test prep plans that are customized to focus on the subjects where students need the most help. Unlike other online scholastic tutoring programs, MindLaunch conducts its classes in a virtual classroom equipped with two-way video and audio plus interactive whiteboards for a high-quality, immersive learning experience. Parents may select between scheduled one-to-one or small-group classes.

MindLaunch needs experienced teachers with expertise in the following specialties:

**Hindi**  
**STAAR Test**

## Advanced Placement Classes Gain Popularity

According to a recent College Board [report](#), “Over the past decade, the number of students who graduate from high school having taken rigorous AP courses has nearly doubled, and the number of low-income students taking AP has more than quadrupled.”

MindLaunch teachers, who teach the in-school classes and have been certified by College Board, know the AP material and tests, plus they know how to help students succeed.
